

The Clark Health Department in conjunction with Complete Care of Scotch Plains will be offering free blood pressure, blood sugar and quick cholesterol screenings to Clark residents between 11:00 a.m. and 1:00 p.m. on Thursday, February 2, 2012 at the Clark Recreation cafeteria located at 430 Westfield Ave. Clark.

Pre-registration is not required. A two hour fast is required for the blood sugar screening. Participants are advised that the quick cholesterol screening takes approximately 3 minutes to read.

Anyone with questions can contact Nancy Raymond, Health Officer at 732-428-8045.
