

Sheds & Fences

All sheds require a building permit and can only be applied for after first receiving approval from the Zoning Officer, survey required. Three sets of plans must be submitted and signed by the homeowner. A brochure depicting the shed and its details may be submitted in lieu of plans. All sheds must be anchored at all four corners.

A Fence Permit Application is required for all fencing. A survey must be submitted showing the location of the fence being installed. Fee is \$35.00.
