ARTICLE 2
REPRESENTATION FEE

a. Notice and Amount of Fee

If an employee in the bargaining unit is not a member of the Association during the term of this Agreement, and during the period, if any, between successive Agreements, such employee shall be required to pay a representation fee to the Association during such term of period. The purpose of the representation fee is to provide for payment to the Association of a fee in lieu of dues for services rendered by the Association, and thereby to offset the cost of services rendered by the Association as majority representative. In order to adequately offset the cost of services rendered by the Association, the representation fee shall be 85% of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members.

The Employer shall submit an up-to-date list of all employees in the unit to the Association at least once each month. The Employer shall advise the Association of any new hires within fourteen (14) days of said employee's hiring. The Association shall submit to the Employer a list of those employees in the unit who are not members of the Association. The Employer shall deduct from the salary of such employee in accordance with "b" below, the full amount of the representation fee and shall transmit promptly the amount so deducted to the Association. The Association shall notify the Employer in writing of any changes in the list and/or the amount of the representation fee, and such changes shall be reflected in any deduction made.

b. Payroll Deduction Schedule

The Employer shall deduct a representation fee in equal installments as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the membership

period fixed by the Association. The deductions will begin with the first paycheck paid ten days after the receipt of the aforesaid list by the Employer or 30 (thirty) days after the employee begins his/her employment in the bargaining unit position) and every pay check thereafter except where the employee is continued in the employ of the Employer in a non-bargaining unit position or is on layoff, in which event the deductions will begin with the first paycheck paid 10 (ten) days after the resumption of the employee's employment in a bargaining unit position. Except as otherwise provided herein, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues paid to the Association by payroll deduction.

c. Purpose of Article

The purpose of this Article is to provide for payment of representation fees as set forth in Chapter 477 P.L. 1979 of New Jersey or any amendments thereto, and anything herein which may be inconsistent with said law shall be deemed to be changed to conform with said law. The Association has represented that it has established a "demand and return" system pursuant to the foregoing law, which is available to employees who pay the representation fee.

Sick leave is hereby defined to mean absence from post of duty of an employee because of illness, accident, exposure to contagious disease, attendance upon a member of the employee's immediate family seriously ill requiring the care and attendance of such employee, or absence caused by death in the immediate family of such Employee. A certificate of a reputable

In case of leave of absence due to contagious disease a certificate from the Department of Health shall be required. In case of death in the family of the employee, any reasonable proof required by the department head shall be sufficient. The term "immediate family" is limited to the employee's spouse, children, step-children, grandchildren, parents, grandparents, brothers, sisters or to a relative who is part of the household.

Employees are entitled to one (1) sick leave day with pay for each month of service from the date of appointment to December 31st of that year. Thereafter, 15 days of paid sick leave are granted in each calendar year or a total of 105 hours. Any employee whose employment has terminated shall have their sick leave prorated in the year of termination at the rate of one day per month, not to exceed 15 days.

Sick time usage is a benefit and is to be used as defined. Sick time is not to be abused, nor is it to be utilized for any other purpose.

The employee or a member of his family must telephone their Department Head at least an hour before the employee's starting time to advise that the employee cannot report to work.

The employer may require proof of illness, whenever three or more consecutive days are utilized as to "fitness for duty", or if an employee has a pattern of sick leave use. A pattern is defined as "absences that consistently occur". If such examination determines that no sickness is evident, the employee shall be subject to disciplinary action.

Sick leave taken as part of a day shall require the approval of the Department Head to verify that that the individual either has a doctor's appointment or if feeling suddenly ill.

An employee absent from work utilizing a day of Sick Leave for his or her own illness must be at home for the hours scheduled to work for which the Employee is being paid and reported off sick except to go to the doctor. The Township reserves the right to send a physician, visiting nurse or other appropriate official to confirm the Employee's whereabouts or to order the Employee to a physician of Township's choice to report on condition of the Employee. If such examination determines no sickness is evident, employee may be subject to discipline. No place of confinement visits or telephone calls shall take place after workday hours.

During a period of disability, employees may elect, if they so desire, to first utilize all or any part of their accumulated sick leave. In the absence of such elections, leaves of absence provided by this Article will not affect in any manner whatsoever the accumulated sick leave of the disabled employee.

Where a disability work-connected injury is sustained and causes an extended absence, the Township Council will adopt a resolution granting the injured employee up to one-year leave of absence with pay. If and when such action is taken, the employee shall not be charged with sick leave time beyond that in at the time of the disability.

In the event of such action, the employee must agree in writing to reimburse the Township for payments he may receive as Workers' Compensation, insurance benefits or from any settlement or judgment paid to the employee by a person or corporation held responsible for such injury.

All full-time employees hired subsequent to November 1, 1981 shall accumulate unused sick leave to a maximum of \$15,000.00 which shall be redeemable upon retirement.

Section 2. – Maternity Leave

The employee shall provide medical certification of her condition in the event of a leave of absence due to pregnancy. The employee shall inform the employer, in writing, of the date the employee will be entitled to maternity leave, not to exceed six (6) months. The employee may request that such leave be with pay to the extent of accrued sick leave, otherwise, the time on leave shall be without pay.

An employee who requests a leave of absence for military leave of any type must provide the Township Administrator with a copy of their military orders and military base pay documentation, and subsequently with a copy of their orders terminating their active duty. Failure to provide the required documentation may result in the denial of applicable pay during the period of the leave. Each such employee must be reinstated, without loss of privileges or seniority, provided he/she reports for duty with the Township within ninety (90) days following the employee's honorable discharge from military service.

A handwritten signature and initials, possibly "JHP", enclosed in a circle, with a large, stylized flourish or signature below it.

Section 4. – Leave Because of Death in the Family

Leave with pay, not exceeding five (5) days, shall be granted by the Department Head, with the approval of the Business Administrator, to any employee in the event of a death in his/her “immediate family”. The term “immediate family” for all the purposes of this Section shall include only the employee’s spouse, child, grandchild, mother or father.

Leave with pay, not exceeding three (3) days, shall be granted by the Department, with the approval of the Business Administrator, to any employee in the event of a death of a grandparent, brother or sister; and in the event of a death of the parent or grandparent, brother or sister of his/her spouse, or other person who is a member of his/her household.

Section 5. – Leave Without Pay

Leave without pay shall be granted only when the employee has used his/her accumulated sick leave in the case of illness. In the event leave without pay is requested for reasons other than illness an employee must have used his/her vacation leave. Written request for leave without pay must be signed by the employee, endorsed by the Department Head, and approved by the Business Administrator before becoming effective.

Such leave, except for military leave without pay, shall not be approved for a period longer than six months at one time. The Business Administrator, with the Department Head’s consent, may extend such leave for an additional six (6) months or any portion thereof. If any employee is on a Leave of Absence without Pay, such employee may maintain their Health Benefits and shall reimburse the Township for those benefits.

A request for any type of leave, except sick leave or because of a death in the family, shall be made ten (10) days in advance to permit engaging a substitute for the particular position held by the applicant.
